Date.202

ACTION TAKEN REPORT (2020-21)

- Developed and maintained access to online teaching and learning platforms, including a custom platform tailored for the college's needs.
- Promoted faculty engagement in online professional development through Faculty Development Programs (FDP) and Short-Term Courses (STC), with eleven faculty members attending eighteen such programs.
- Launched an initiative to support student mental health during the pandemic by encouraging the creation of indoor cultural activity videos, which were edited into a compilation and released on YouTube, garnering over 3000 views.
- Organized the distribution of health and hygiene supplies, as well as groceries and food items, to underprivileged communities.
- Successfully implemented an online examination system for over 3500 students, managing the distribution of optional blank answer scripts, ensuring timely submission of completed scripts, coordinating paper-wise evaluation by faculty, and prompt reporting of grades to the University of North Bengal.
- The progression of the renovation and construction work of the main college building, staff quarters, girls' hostel etc. was retained up to a certain extent. Though the conditions were not conducive to retain the pace of the construction, but the works still continued fulfilling all the COVID-19 pandemic guidelines.
- Enhanced campus hygiene and COVID-19 prevention measures by procuring and utilizing automatic hand sanitizer dispensers, thermal guns, fogging machines, gloves, masks, and disinfectants as needed.
- Enforced strict COVID-19 protocols on campus, including mandatory mask-wearing, hand sanitization upon entry, and body temperature checks with thermal guns.
- Fostered mental wellness by promoting online cultural performances, encouraging students to produce and share videos showcasing their talents, resulting in a well-received compilation video released on the college's foundation day.
