

Communal Harmony Campaign Week and National Flag Day

The theme for Communal Harmony Week 2023 is “**EVERYONE BELONGS**”. The Communal Harmony Campaign Week has two main objectives:

- To raise donations for the physical and psychological support of the orphan or destitute children affected by violence &
- To promote fraternity among the people, maintain peace and communal harmony and national integration.

Communal Harmony Week was marked by Prasannadeb Women’s College, Jalpaiguri from 19th to 25th November 2023. Students and faculty participated joyfully. For the whole week the atmosphere in the college was resonating with feelings of love for the country and its people. A thought provoking and heartfelt message was given by our respected Principal, Dr. Samapti Saha and she handed over a cheque of Rs. 5000 to Jalpaiguri Welfare Organization for the purpose of Observing World Disable Day on 3rd December 2023.

Communal harmony is an acknowledgment that our diversity is what makes us strong and a celebration of our uniqueness. The diverse range of ethnicities, faiths, and customs that make our country special must be embraced. We truly find our power in this diversity. Education plays a pivotal role in shaping these values. As educators, we must instil in our students the importance of tolerance, empathy, and unity.
